Enclosed is my check for the Bicycle Parking Fee made out to Standard Parking. I understand that this contract gives me a license to park my bicycle in the area(s) designated by Standard Parking upon the terms and conditions described below.

1. This contract is for one year only. The contract year runs from March to February. Any parkers starting after March 1<sup>st</sup> will be required to pay the full fee and renew their contract for the following year before the 1<sup>st</sup> of March. Standard Parking can cancel this contract with a 30 day written notice. If the contract is cancelled by Standard Parking before the end of the contract year a refund of the unused portion of the Bicycle Parking Fee will be issued.
2. No bailment is created by this contract, and I will not hold Standard Parking or the building owner responsible for any theft, loss or damage to my bicycle or any other items of value left with my bike. Standard Parking employees are not authorized to store or accept responsibility for any such items.
3. I understand that parking garages are inherently dangerous to pedestrians and bicyclists, involving risks such as parked and moving vehicles, concrete columns and walls, low ceilings and overhanging pipes and supports, uneven or sloped pavement, and exhaust fumes. I agree that I will not hold Standard Parking or the building owner responsible for any death, injuries or property loss I suffer when walking, running or riding my bicycle in the building, unless the death, injuries or property loss is caused by the intentional misconduct of Standard Parking's employees.
